

# FUNDRAISING

*WRASAC*

Thank you for choosing to  
fundraise for the Women's Rape  
and Sexual Abuse Centre  
Dundee and Angus.

By organising a fundraiser,  
taking on the Kiltwalk 2026 you  
are helping to support survivors  
of sexual violence across  
Dundee and Angus.

Fundraising plays a vital role in  
allowing WRASAC to continue  
providing specialist support and  
advocacy to survivors in our  
community.

We are incredibly grateful for  
your support and commitment.

# WHO WE ARE

# WHAT WE DO

Dundee and Angus WRASAC are a specialist agency providing free and confidential support services to survivors who have been raped, sexually abused, or sexually exploited at any time in their life.

Over the last 40 years we have grown our service from a small team, working voluntarily in Dundee to a locally and nationally funded service.

Our team consists of:

- Women's Support Service
- Initial Referral team
- National Advocacy Service
- Dundee & Angus Young Survivors (DAYS)
- Sexual Violence Prevention Service
- Vice Versa (Women involved in Commercial Sexual Exploitation)
- Gender Based Violence Learning and Development team

# WHAT IS *FUNDRAISING?*

Fundraising is the process of raising money and other resources. It involves individuals, communities, businesses, and organisations coming together to donate money, organise events, or take on challenges to help fund vital services.

For organisations like WRASAC, fundraising helps provide the financial support needed to deliver specialist services for survivors of rape, sexual abuse, and sexual violence.

Fundraising can take many forms, including sponsored challenges, community events, workplace fundraising, donations, or awareness campaigns.

Every pound raised contributes to creating safe spaces, providing specialist support, and ensuring survivors can access the help they need when they need it.

By fundraising, you are doing more than raising money, you are helping to create a community that believes survivors, supports recovery and works towards ending sexual violence.
